Poetry Samples

Here are some Poem couplets:

A Minor Bird

A Minor Bird

I have wished a bird would fly away,
And not sing by my house all day;
Have clapped my hands at him from the door
When it seemed as if I could bear no more.
The fault must partly have been in me.
The bird was not to blame for his key.
And of course there must be something wrong
In wanting to silence any song..

The Year

What can be said in New Year rhymes,
That has not been said a thousand times?
The new years come, the old years go,
We know we dream, we dream we know.
We rise up laughing with the light,
We lie down weeping with the night.
We hug the world until it stings,
We curse it then and sigh for wings.
We live, we love, we woo, we wed,
We wreath our brides, we sheet our dead.
We laugh, we weep, we hope, we fear,
And that is the burden of the year.
